"Your letter was too brief a treat, but a treat all the same; there is only one excitement to my day, and that is when the postman comes." So wrote the author who sometimes waited an hour for the best word to come to mind when engaged in concocting a novel, yet spun off letters to friends and colleagues like cotton candy.

Too Brief a Treat it's titled. Many of our conversations revolved around his concept of style—style in writing, style in dress and style in design. For Truman—"the most perfect writer of my generation," Norman Mailer once wrote—style was both a philosophy and a religion. "Style is what you are," he said.
