The World Open is a professional ranking snooker tournament. It had previously been known as the Professional Players Tournament, the LG Cup and the Grand Prix. During 2006 and 2007, it was played in a unique round-robin format, more similar to association football and rugby tournaments than the knock-out systems usually played in snooker. The knock-out format returned in 2008 with an FA Cup ...

In video games, an open world is a virtual world in which the player can explore and approach objectives freely, as opposed to a world with more linear gameplay. While games have used open-world designs since the 1980s, the implementation in Grand Theft Auto III (2001) set a standard that has been used since.. Games with open or free-roaming worlds typically lack the invisible walls and ...
