### **The Next America Boomers Millennials**

Drawing on Pew Research Center's extensive archive of public opinion surveys and demographic data, The Next America is a rich portrait of where we are as a nation and where we're headed—toward a future marked by the most striking social, racial and economic shifts the country has seen in a century.

### **The Next America, a Book by Paul Taylor and the Pew ...**

Millennials are on the cusp of surpassing Baby Boomers as the nation's largest living adult generation, according to population projections from the U.S. Census Bureau. As of July 1, 2016 (the latest date for which population estimates are available), Millennials, whom we define as ages 20 to 35 in 2016, numbered 71 million, and Boomers (ages 52 to 70) numbered 74 million.

Compared to baby boomers, millennials are more motivated by their ability to make an impact wherever they work. According to a Global Report survey, 74% of millennial job candidates want a job ...

### **5 major differences between the lives of millennials and ...**

When it comes to finances, millennials have it rough. Data shows that members of this generation — people born in 1981 to 1997 — are saddled with student loan debt, delaying major milestones such as homeownership and less financially secure than their parents, the baby boomers. And, based on the results of a recent survey from GOBankingRates, millennials have certainly noticed that their ...
