I cut two sheets of thick mdf to fit snugly into the mattress base to provide a table top. I deliberately chose thick strong board to strengthen the desk should any small people climb, sit or stand on it (inevitable in this house).

A Little Learning For Two: Repurposed Cot

Unschooling is an educational method and philosophy that advocates learner-chosen activities as a primary means for learning. Unschooling students learn through their natural life experiences including play, household responsibilities, personal interests and curiosity, internships and work experience, travel, books, elective classes, family, mentors, and social interaction.

Unschooling - Wikipedia

An open-source book on JavaScript Design Patterns. JavaScript Design Patterns In this section, we will explore JavaScript implementations of a number of both classic and modern design patterns.

Welcome Traders and Beginners. I present and share a system which I compiled to MT4. The original idea came from an experienced trader (since 1994) his name here in FF is Turhovach he has the age of 59 years (not too far away from me, lol).

THV system, final edition @ Forex Factory

The ball point game by Boris Gloger is a great game for introducing Scrum to new agile teams. I have played and facilitated this game a few times and would like to share my notes. Many thanks to Boris for creating this game. Special thanks to Henrik Kniberg and Robyn Dymond for facilitating and sharing their ideas on the game at AYE 2009.. Rules

Learning Scrum through the Ball Point Game | Declan Whelan

Launched in 1995 and based in Luxembourg at the center of Europe, LuxFactory.com has always remained flexible. Driven by the idea of being the most successful Transition Management and consulting agency in Luxembourg, the company adapted itself to the market and its fluctuations of needs.
