The Pharisees and the Sadducees were both religious sects within Judaism during the time of Christ. Both groups honored Moses and the Law, and they both had a measure of political power. The Sanhedrin, the 70-member supreme court of ancient Israel, had members from both the Sadducees and the Pharisees. The differences between the Pharisees and the Sadducees are known to us through a couple of ...

Modernism is a philosophical movement that, along with cultural trends and changes, arose from wide-scale and far-reaching transformations in Western society during the late 19th and early 20th centuries. Among the factors that shaped modernism were the development of modern industrial societies and the rapid growth of cities, followed then by reactions of horror to World War I.

How much of Renaissance intellectual history is part of modern philosophy is disputed: the Early Renaissance is often considered less modern and more medieval compared to the later High Renaissance. By the 17th and 18th centuries the major figures in philosophy of mind, epistemology, and metaphysics were roughly divided into two main groups. The "Rationalists," mostly in France and Germany ...

What Does "Sophomore" Mean? Of the four tiers of high school, sophomore is the year that stands out as strange. Freshman, junior, and senior are relatively clear monikers for their associated levels, and it's funny that in school, the place where you are most expected to know the how and why of everything, second-year students are called by a term whose roots are abstruse.
