The Gingerbread House Hammarbyserien 1

I really loved The Gingerbread House! I haven't felt that way since I read The Millennium Trilogy. But another dimension was the fact the apparently the very disturbing bullying scenes from pre-school are self-experienced by Carin Gerhardsen. I couldn't put the book down, and recommend to anyone interested in Scandinavian crime!The Gingerbread ...

Works can belong to more than one series. In some cases, as with Chronicles of Narnia, disagreements about order necessitate the creation of more than one series. Tip: If the series has an order, add a number or other descriptor in parenthesis after the series title (eg., "Chronicles of Prydain (book 1)").

OMG I'm having cuteness overload here! How sweet is this little crochet pink and white trimmed gingerbread house? I loved designing and making it. In contrast to my previous gingerbread house designs, I've chosen a yummy pink and white color scheme for the frosting and candy. The whole thing is mostly single crocheted and chains, and crocodile stitch for the roof.
