After the response to this recent LifeHacker piece, I thought I would explain the system I use to take notes, research books and keep track of anecdotes, stories and info I come across in my work. This isn't the perfect system. It might not work for you. All I can say is that since learning it about 7 years ago, it has totally transformed my process and drastically increased my creative output.

The Quran never refers to the tree as the "Tree of the knowledge of good and evil" but rather typically refers to it as "the tree" or (in the words of Iblis) as the "tree of immortality." Muslims believe that when God created Adam and Eve, he told them that they could enjoy everything in the Garden except this tree, and so, Satan appeared to them and told them that the only reason God forbade ...
