Origin. The term reappropriation is an extension of the term appropriation or cultural appropriation used in anthropology, sociology, and cultural studies for the reabsorbing of subcultural styles and forms, or those from other cultures, into mass culture through a process of commodification: the mass-marketing of alternate lifestyles, practices, and artifacts.

Countless lyrical variants of "Dixie" exist, but the version attributed to Dan Emmett and its variations are the most popular. Emmett's lyrics as they were originally intended reflect the mood of the United States in the late 1850s toward growing abolitionist sentiment. The song presented the point of view, common to minstrelsy at the time, that slavery was overall a positive institution.
