What's so magical about the number three? It's no accident that the number three is pervasive throughout some of our greatest stories, fairy tales, and myths.. It's also no coincidence that some of the most famous quotes throughout history are structured in three parts, nor is it surprising that the Rule of Three also works wonders in the world of comedy.

The Rule of Three (also Three-fold Law or Law of Return) is a religious tenet held by some Wiccans/Pagans and occultists. It states that whatever energy a person puts out into the world, be it positive or negative, will be returned to that person three times. Some subscribe to a variant of this law in which return is not necessarily threefold. The Rule of Three is sometimes described as karma ...

The Year of the Three Emperors, or the Year of the Three Kaisers, (German: Dreikaiserjahr) refers to the year 1888 during the German Empire in German history. The year is considered to have memorable significance because of the deaths of two German Emperors, or Kaisers, leading to a rapid succession of three monarchs within one year. The three different emperors who ruled over Germany during ...
