Nov 19, 2013 rated it it was amazing. Alan Watts is one of the only authors who I HIGHLY recommend listening to rather than reading. He has narrated many of his books including this one and it is by far a more enjoyable experience.

### **The Essential Alan Watts by Alan W. Watts - Goodreads**

The Essential Alan Watts is really not all that essential reading for anyone seeking to discover the heart of Watts' philosophy. While it does manage to gloss over many of his most important themes, the ideas mentioned are just not developed enough for the casual reader to gain much from this presentation.
