There Is Power In A

Question: "Is there any power in positive thinking?" Answer: One definition for positive thinking is "the act of reviewing thought processes in order to identify areas that need improvement, and then using the appropriate tools to change those thoughts in a positive, goal-oriented way." Of course, thinking positively is not wrong. The problem associated with "positive thinking" is in ...

Question: "Is there power in positive confession?" Answer: Positive confession is the practice of saying aloud what you want to happen with the expectation that God will make it a reality. It's popular among prosperity gospel adherents who claim that words have spiritual power and that, if we speak aloud the right words with the right faith, we can gain riches and health, bind Satan, and ...
