NAD + is essential for life in all organisms, both as a coenzyme for oxidoreductases and as a source of ADPribosyl groups used in various reactions, including those that retard aging in experimental systems. Nicotinic acid and nicotinamide were defined as the vitamin precursors of NAD + in Elvehjem's classic discoveries of the 1930s. The accepted view of eukaryotic NAD + biosynthesis, that all ...

Philosophy. The Longevity Project<sup>1</sup> (an eight-decade long study) found that children are impacted more negatively by divorce than the death of a parent.. Research shows many children continue to report painful feelings for years following divorce<sup>2</sup>; this is true even after behavior problems subside.

At Ancient Origins, we believe that one of the most important fields of knowledge we can pursue as human beings is our beginnings. And while some people may seem content with the story as it stands, our view is that there exists countless mysteries, scientific anomalies and surprising artifacts that have yet to be discovered and explained.

Environmentalists have long denounced plastic as a long-lasting pollutant that does not fully break down, in other terms, not biodegradable. In 2004, a study lead by Dr Richard Thompson at the University of Plymouth, UK, reported finding great amount of plastic particles on beaches and waters in Europe, the Americas, Australia, Africa and Antarctica.

It has long been suggested that stories in the Bible are retellings of far more ancient accounts. For example, Wood (2003) has drawn attention to the fact that there are remarkable similarities between the Sumerian King List and accounts in Genesis, from descriptions of the great flood, to the eight rulers who reigned before the flood, and decreasing longevity of people after the flood.

Emperors of the Sangoku,, the "Three Kingdoms," of India, China, & Japan. India and China are the sources of the greatest civilizations in Eastern and Southern Asia. Their rulers saw themselves as universal monarchs, thereby matching the pretensions of the Roman Emperors in the West. The only drawbacks to their historical priority were that India suffered a setback, when the Indus Valley ...
