"Lost" painted the picture that this brief life is a test with eternal consequences, and that there are forces for good and evil attempting to win us over to their side. The story of the redemption all humanity desperately needs was woven through the life of every character—broken individuals given the chance to start over on a mystic island.

James "Rev Shark" DePorre. Defensive trading has become a lost art in recent years due to the lopsided nature of the trend and the brevity of the dips. However, those that cultivate a defensive methodology -- and are ready to employ it when the character of the market shifts -- will produce superior returns.
