Neverwinter Nights is a third-person role-playing video game developed by BioWare. Interplay Entertainment was originally set to publish the game, but financial difficulties led to it being taken over by Infogrames, who released the game under their Atari range of titles. It was released for Microsoft Windows on June 18, 2002. BioWare later released a Linux client in June 2003, requiring a

Today I am spinning. Every job I've tried to do has thrown me up three other things which need doing first – and look, need is subjective, which is why I feel like all I've done is spun in one spot, feeling increasingly frustrated.. I started making soap, only to discover I am completely out of tea tree oil, which I needed for the batch I'd started.
