### **The Water Wars by Cameron Stracher - Read Online**

The Hunger Games, Cameron Stracher's Water Wars is both a trenchant cautionary tale of a world drained of its most precious resource and a rousing adventure-story of the plucky young heroes who set out to save it. Perfect for young readers-but with more than enough substance for mom and dad as well."

### **Summary and reviews of The Water Wars by Cameron Stracher**

Timely and eerily familiar, acclaimed author Cameron Stracher makes a stunning YA debut that's impossible to forget. "Let us pray that the world which Cameron Stracher has invented in The Water Wars is testament solely to his pure, wild, and brilliant imagination, and not his ability to see the future.
