The Longest Road Overland In

At its fullest extent the Pan-American Highway is a network of roads stretching from Prudhoe Bay, Alaska, to Ushuaia, Argentina, a distance of around 48,000 kilometres (30,000 miles). According to Guinness World Records, the Pan-American Highway is the world's longest "motorable road". However ...

The Pan American Highway: The Longest Road In The World ...

A road train or land train is a trucking vehicle of a type used in rural and remote areas of Australia, the United States and in Europe to move freight efficiently. It consists of two or more trailers or semi-trailers hauled by a prime mover.

Road train - Wikipedia

In the 1950s, LeTourneau Inc. developed several overland trains, essentially oversized semi-trailer trucks that could travel over almost any terrain. Their intention was to be able to handle logistics needs without being dependent on local road or rail systems, allowing them to operate in back-country areas. The US Army had three experimental units built, the largest reaching almost 600 feet ...

Overland train - Wikipedia

I tend to call US 80 the "Bonnie and Clyde" road, mainly because it was just off this highway that they were gunned down. Also, they traveled US 80 often as they drove to Dallas or away from the law (and Clyde is buried just off of old US 80 in Dallas).

US 80 Road Trip - Red River Historian

Butterfield's Overland Mail Company carried the first successful overland transcontinental mail by stagecoach through Arkansas as it went from the Mississippi River to California. Though only running from 1858 through 1861, it was the longest stagecoach line in world history at approximately 2,812 miles and was a major factor in the settlement and development of Arkansas and the American West ...
