At Ancient Origins, we believe that one of the most important fields of knowledge we can pursue as human beings is our beginnings. And while some people may seem content with the story as it stands, our view is that there exists countless mysteries, scientific anomalies and surprising artifacts that have yet to be discovered and explained.

"A gentleman and a scholar." There are few such men who fit this description from the "archaeological" community of the late 19th and early 20th centuries. There were certainly gentlemen and scholars, yet those who understood the rules and propriety of historical investigations and those who studied the histories themselves were not always one and the same.

The opening line of the Gospel of John reads "In the beginning was the word..." There is a certain humor here. Perhaps the author added the line with a sly wink because, after all, it is his word that

begins the book, not God's. Indeed, all books open with words, just as most thoughts are sooner or later put into words, in one language or another.
