The Most They Ever Had

In the spring of 2001, a community of people in the Appalachian foothills of northern Alabama had come to the edge of all they had ever known. Across the South, padlocks and logging chains bound the doors of silent mills, and it seemed a miracle to blue-collar people in Jacksonville that their mill still bit, shook, and roared.

The Most They Ever Had | The Alabama Booksmith

Rick is a Pulitzer Prize winner, but more than that, he is a storyteller. And he comes from a long line of storytellers, the Appalachian people, who are his people, and my people too. And I guess the thing I like best about Rick's writing is that he gives voice to these people--these hard working, salt of the earth people, that are all too often forgotten or ignored or caricaturized in our ...

A Bit Bookish: The Most They Ever Had by Rick Bragg

The mill had become almost a living thing, rewarding the hardworking and careful with the best payday they ever had but punishing the careless and clumsy, taking a finger, a hand, or more. The mill was here before the automobile, before the flying machine, and they served it even as it filled their lungs with lint and shortened their lives.
