Postliberal theology (often called narrative theology) is a Christian theological movement which became popular in the late twentieth century. The movement's proponents argue that the church's use of the Bible should focus on a narrative presentation of the Christian faith as regulative for the development of a coherent systematic theology. Thus Christianity is to be viewed as an overarching ...

This page is designed to help make writings on and by C.S. Lewis available to those without easy access to a university library. Many of the links connect you to scanned, published books and articles made available by Google Books (often 75% of content). Importantly, Google Books allows you to search within a volume and also across volumes (rather than across the entire WWW).
