Before the age of Twitter and Facebook, the best way to keep track of your life was through a diary or journal. For most, a diary is a place of private introspection where one can transfer thoughts and feelings onto paper. In some cases, diaries are interesting documents that reveal a story of a ...

This page provides lists of best-selling individual books and book series to date and in any language. "Best selling" refers to the estimated number of copies sold of each book, rather than the number of books printed or currently owned. Comics and textbooks are not included in this list. The books are listed according to the highest sales estimate as reported in reliable, independent sources.
