Student Recruitment Software (SAAS) 2019. Student recruitment is not a new development within the higher education sector. Universities and schools have always used recruitment strategies to maintain and grow their student bodies, but the shift towards digital media means that more schools and institutions are relying on software and IT for their recruitment and admissions needs.

Homework, or a homework assignment, is a set of tasks assigned to students by their teachers to be completed outside the class. Common homework assignments may include required reading, a writing or typing project, mathematical exercises to be completed, information to be reviewed before a test, or other skills to be practiced.. The effect of homework is debated.
