Tower Green is a space within the Tower of London, a royal castle in London, where two English Queens consort and several other British nobles were executed by beheading. It was considered more dignified for nobility to be executed away from spectators, and Queens Anne Boleyn, Catherine Howard and Lady Jane Grey were among the nobility beheaded here. Queen Victoria asked for information on the ...

London Aquarium If it's just fish you're after then the aquarium in County Hall (vide infra) has great atmosphere and is quite beautiful, with its Easter Island statues immersed in a multi-story pool. Well designed and well put together, it's not very 'London' but more a refuge from the hustle and bustle of the city - that is if there are no school parties around.
