An issue that must be addressed before proceeding to an examination of the text of Revelation is our basic hermeneutical approach to the book. Over the course of the church's history there have been four main approaches: the futurist, historicist, preterist, and idealist approaches. The futurist approach understands everything from Revelation 4:1 forward to be a prophecy of things that are to ...

Fusional languages or inflected languages are a type of synthetic language, distinguished from agglutinative languages by their tendency to use a single inflectional morpheme to denote multiple grammatical, syntactic, or semantic features. For example, the Spanish verb comer ("to eat") has the first-person singular preterite tense form comí ('I ate'); the single suffix-í represents both the ...
