UK 'has never been more addicted to smartphones' - BBC News

Half-Life (stylized as HΛLF-LIFE) is a first-person shooter video game developed by Valve Corporation and published by Sierra Studios for Microsoft Windows in 1998. It was Valve's debut product and the first in the Half-Life series. Players assume the role of Gordon Freeman, a scientist who must find his way out of the Black Mesa research facility after an experiment goes wrong.

Half-Life (video game) - Wikipedia

An unseen character in theatre, comics, film, or television, or silent character in radio, is a character referred to but not directly known to the audience, but who advances the action of the plot in a significant way, and whose absence enhances their effect on the plot. The concept does not apply to the non-visual medium of literature, where all characters are unseen by the reader.

Unseen character - Wikipedia

Oak tree leaf identification can be a very interesting hobby. Come fall and the oak tree foliage lights up the landscape with its brightly colored leaves. Learning the unique features of each leaf type will help you in distinguishing them.

Oak Tree Leaf Identification Has Never Been Easier Than This

During the 2016 campaign, Trump made vague, outlandish promises to concoct a plan that would cover every American at a lower cost. Such a plan has never been seen. During the repeal push two years ago, Trump's White House never even bothered coming up with its own proposal, leaving the task instead to Congress, which similarly had no idea what it wanted to do, beyond repealing the dreaded ...
