Time and Time Again though is a book that I will find very hard to forget – It absolutely blew me away. I loved it and am going to be telling everyone to read it. If you could go back in time and change one piece of history – what would you consider to be I thought I “knew” Ben Elton.

### **Time and Time Again by Ben Elton - Goodreads**

Ben Elton's Time and Time Again is a cut above the usual time travel adventure--and this is, no doubt, a science fiction adventure (which is why I can't understand the one- and two-star reviewers who were expecting a deeper philosophical premise, unless Time and Time Again is a departure from Elton's other novels).

As such my expectation was high for this book, a time travel story with the infamous wit of Ben Elton. I was hoping that Time and Time Again would perhaps be a satirical romp through time or at least with a thick vein of the authors humour running through it. Unfortunately it's largely devoid of both.
