The Making Of African America

In *The Making of African America*, Berlin challenges the traditional presentation of a linear, progressive history from slavery to freedom. Instead, he puts forth the idea that four great migrations, between the seventeenth and twenty-first centuries, lie at the heart of black American culture and its development.

The Making of African America: The Four Great Migrations ...

The Making of African America: The Four Great Migrations. In effect, Berlin rewrites the master narrative of African America, challenging the traditional presentation of a linear path of progress. He finds instead a dynamic of change in which eras of deep rootedness alternate with eras of massive movement, tradition giving way to innovation.
