A trilogy is a set of three works of art that are connected, and that can be seen either as a single work or as three individual works. They are commonly found in literature, film, and video games, and are less common in other art forms. Three-part works that are considered components of a larger work also exist, such as the triptych or the three-movement sonata, but they are not commonly ...

Chapter One . It all started one day earlier with a single silenced bullet out of nowhere. Thomas Hunter was walking down the same dimly lit alley he always took on his way home after locking up the small Java Hut on Colfax and Ninth, when a smack! punctuated the hum of distant traffic. Red brick dribbled from a one-inch hole two feet away from his face.
