In 2009, the OCED and many others feared official aid would decline due to the global financial crisis. They urged donor nations to make aid countercyclical; not to reduce it when it is needed most — by those who did not cause the crisis.. And indeed, for 2009, aid did increase as official stats from the OECD shows. It rose 0.7% from just under \$123 bn in 2008 to just over \$123 bn in 2009 (at ...

The internment of Japanese Americans in the United States during World War II was the forced relocation and incarceration in concentration camps in the western interior of the country of between 110,000 and 120,000 people of Japanese ancestry, most of whom lived on the Pacific coast. Sixty-two percent of the internees were United States citizens. These actions were ordered by President Franklin ...
