Maybe you've seen that hilarious news footage of a man unexpectedly coming face to face with a bear. He is on his own property, distracted by his phone, when he looks up right into the face of a marauding bear. The man's reaction is exactly what we would expect—he turns tail and runs away as quickly as he can. A news helicopter captured it all for our amusement.

During the 1950s and 1960s the Soviet space program used dogs for sub-orbital and orbital space flights to determine whether human spaceflight was feasible. In this period, the Soviet Union launched missions with passenger slots for at least 57 dogs. The number of dogs in space is smaller, as some dogs flew more than once. Most survived; the few that died were lost mostly through technical ...

Over the last few years, I think I've finally figured this peaking thing out. It took a while because, like many coaches, I fell into the standard "tapering" model we've all been taught. Problem was, tapering didn't work consistently. The results were just as hit-or-miss as not tapering at all. So, I threw "tapering" out...

To put the IUD in, the nurse or doctor will put a speculum into your vagina and then use a special inserter to put the IUD in through the opening of your cervix and into your uterus. The process usually takes less than five minutes. IUDs can be put in at any point in your menstrual cycle, and you can usually get one put in right after giving birth or having an abortion.

The Rocky Run cabin is perfect if you want to get away from it all for a few days, or longer. It's secluded and quiet, and feels like you are miles away from the rat race, however it's really only a short drive to Hwy 29, and from there to the towns of Amherst or Lovingston, in just a few minutes, or Lynchburg or Charlottesville, in around a hour.
