Does nature really make us feel better? The 3-Day Effect takes a look at the science behind why being in the wild can make us happier, healthier, and more creative. Whether it's rafting down Utah's Green River, hiking in Utah's wilderness, or walking through Rock Creek Park in Washington, DC, scientists are finding that the more exposure humans have to nature, the more we can benefit ...

We were barely a band before our lives changed, but I think still of the time we spent, squalidly, before we were a group, in a very cold and small flat, more filthy than you can imagine.

Imagine if Mick Jagger responded to Keith Richards about ...

Categories in Charades STEP #1 in any new round is for you as the actor to sign the category of the target.. Theoretically every target will fit into at least one of these categories. If a target fits more than one category, give the sign for each one in any order you think best.

That really is tremendous growth. Now we can ask, does this kind of growth require mass conversions? As it turns out, this matches almost exactly the growth rate of the Mormon church over the past century. Mormonism has grown at 43% per decade, and without mass conversions.⁵ Exponential growth explains the explosion of Christianity perfectly.

1. image, picture. Imagine, conceive, conceive of, realize refer to bringing something before the mind. To imagine is, literally, to form a mental image of something: to imagine yourself in London. To conceive is to form something by using one's imagination: How has the author conceived the first act of his play? To conceive of is to comprehend through the intellect something not perceived ...
