An alternative school is an educational establishment with a curriculum and methods that are nontraditional. Such schools offer a wide range of philosophies and teaching methods; some have strong political, scholarly, or philosophical orientations, while others are more ad hoc assemblies of teachers and students dissatisfied with some aspect of mainstream or traditional education.

Democratic and Free Schools. Many educators have heard of Summerhill, the radical "free school" in England, founded by A.S. Neill in 1921.[13] Fewer people know about the many other schools that have developed similar approaches on their own, or modified Neill's premises to fit their own needs and community.

Reading comprehension skills are best handled with oral questions to ensure comprehension at early levels. Until a child is reading about 100 words a minute, his comprehension is usually not very good, so do not be overly concerned if a younger child is concentrating on decoding and not doing very well on comprehension.
