Yes – it's very important that you wear a bra. Oftentimes, women with smaller sized breasts won't wear a proper bra and will opt instead for an undershirt with no bra or a flimsy triangle bra with nothing but elastic holding it together.

Lingerie and Bra Fitting FAQ's Frequently Asked Questions ...

I remember this story so vividly, it remains to this day a memory I masturbate to frequently. I was extremely shy as a boy of about twelve. Unexpected and inappropriate erections were commonplace for me and I was constantly using my books or a jacket or untucking my shirt to conceal the bulge that would appear at the front of my slacks whenever I entertained a sexy thought or caught a glimpse ...

The Fitting Room at SoloTouch.com

And, besides all this, it is necessary to know what sort of government is best fitting for all cities: for most of those writers who have treated this subject, however speciously they may handle other parts of it, have failed in describing the practical parts: for it is not enough to be able to perceive what is best without it is what can be put in practice.

A closet (especially in North American usage) is an enclosed space used for storage, particularly that of clothes. "Fitted closet" are built into the walls of the house so that they take up no apparent space in the room. Closets are often built under stairs, thereby using awkward space that would otherwise go unused.
