Hard water can quickly build up on faucets, showers, sinks, and toilets and over time can leave rust and scale stains that are very unsightly and often extremely difficult to remove. Nowhere is this more problematic than in a toilet, which sees a lot of use and holds standing water constantly. While there are many commercial cleaning products that can remove hard water stains in the toilet ...

One day, when my brother was 18, he waltzed into the living room and proudly announced to my mother and me that one day he was going to be a senator. My mom probably gave him the "That's nice, dear," treatment while I'm sure I was distracted by a bowl of Cheerios or something. But for fifteen years, this purpose informed all of my brother's life decisions: what he studied in school ...

I say this not as a criticism but as a point to prevent complacency. I think we all understand bad foul shooters, but I think we have to beware, as coaches and players, of players who shoot just well enough to make us believe they are good shooters, but they are not good enough to get you over the hump.
