Anyway, there were all types of people there: girls, boys, transwomen, transmen. But the thing is, not everybody went by female or male, or even trans; some went by certain pronouns like he, she, her, him, them, it, we, who, or even just their names or a letter, etc. (please note that these are not the only pronouns). To give you a clear definition of what a pronoun is, it is "a gender neutral ...
