Pacific Whale Foundation Australia | Protecting the Ocean ...

A. Unfold "tail" flap. Take note of the diagonal line, highlighted here in red, on the dolphin/whale's flipper. B. Folding "tail" flap first, crease dolphin's flipper along the highlighted line as you fold "head" flap over.. C. Your origami should now look like this, with the flipper folded as shown.

Dolphin and Humpback Whale Origami - Tammy Yee

Killer whales (or orcas) are powerful predators capable of killing humans, leopard seals and great white sharks. They have also been recorded preying on usually terrestrial species such as moose swimming between islands. In the wild, there have been no fatal attacks on humans and only one reported bite.

Killer whale attack - Wikipedia
