Immanuel Kant (1724-1804) Kant's most original contribution to philosophy is his "Copernican Revolution," that, as he puts it, it is the representation that makes the object possible rather than the object that makes the representation possible [§14, A92/B124, note]. This introduced the human mind as an active originator of experience rather than just a passive recipient of perception.

Misanthropy is the general hatred, dislike, distrust or contempt of the human species or human nature. A misanthrope or misanthropist is someone who holds such views or feelings. The word's origin is from the Greek words μῖσος (misos, "hatred") and ἄνθρωπος (anthrōpos, "man, human"). The condition is often confused with asociality

TED Talk Subtitles and Transcript: Was 2017 really the "worst year ever," as some would have us believe? In his analysis of recent data on homicide, war, poverty, pollution and more, psychologist Steven Pinker finds that we're doing better now in every one of them when compared with 30 years ago. But progress isn't inevitable, and it doesn't mean everything gets better for everyone all the ...
