The River Knows Amanda Quick

The River Knows is definitely one of Ms. Quick's better written novels. The pacing was just right, and the entire story was well-planned. I admit that Anthony and Louisa didn't really stand out as leads when compared to that of Dangerous, The Paid Companion, Lie By Moonlight and Ravished, but they were still strong primary characters nonetheless.

The River Knows by Amanda Quick - Penguin Random House

I love Amanda Quick. I can always count on her to intertwine romance with suspense and a little who done it. In the River Knows she doesn't disappoint. I was very intrigued from the very first scene and couldn't wait to find out all the twists and turns of the story. I really like the hero's family and how they support the relationship.
