### **The Notes Ronald Reagans Private**

This article discusses the domestic policy of the Ronald Reagan administration from 1981 to 1989. Reagan's policies stressed conservative economic values, starting with his implementation of supply-side economic policies, dubbed as "Reaganomics" by both supporters and detractors. His policies also included the largest tax cut in American history as well as increased defense spending as part of ...

The most well-known and politically damaging of the scandals came to light in November 1986, when Ronald Reagan conceded that the United States had sold weapons to the Islamic Republic of Iran, as part of a largely unsuccessful effort to secure the release of six U.S. citizens being held hostage in Lebanon. It was also disclosed that some of the money from the arms deal with Iran had been ...

Now, here's something that could have only happened in the age before the internet and smartphones. According to many reports, including one from the New Republic, John Quincy Adams — who, for those who did not pay attention in history class, was the sixth U.S. president — had a pretty big thing for skinny-dipping. Indeed, one of the 40-plus men to hold office in the White House loved to ...
