The Mole People Life In

Mole people (also called tunnel people or tunnel dwellers) are homeless people living under large cities in abandoned subway, railroad, flood, sewage tunnels, and heating shafts. The term may also refer to the speculative fiction trope of an entirely subterranean society.

Mole people - Wikipedia

I didn't read Jennifer Toth's book *The Mole People* when it came out in 1993. Despite my interest in subway tunnels, the focus of her book, the homeless people who live in them, was not a topic I was eager to read more about.

Fantasy in The Mole People - Columbia University

In espionage jargon, a mole (also called a "penetration agent", "deep cover agent", or "sleeper agent") is a long-term spy (espionage agent) who is recruited before having access to secret intelligence, subsequently managing to get into the target organization. However, it is popularly used to mean any long-term clandestine spy or informant within an organization, government or private.

Mole (espionage) - Wikipedia

Mole definition, any of various small insectivorous mammals, especially of the family Talpidae, living chiefly underground, and having velvety fur, very small eyes, and strong forefeet. See more.

Mole | Definition of Mole at Dictionary.com

Tourists are a most common sight at the abbey of Mont Sainte-Odile in the summer. So, when a somewhat hefty, tall man walked down the marble stairs leading to the first floor of the guesthouse, hardly anyone noticed. His backpack contained a Bible, which is normal in a place where people come for religious pilgrimages, but this Bible was more than 500 years old.
