MetaWars Series by Kelly Meding - Goodreads

Trance by Kelly Meding is a combination of superpowers with good/evil. I liked the way Meding put this together. Trance is a good Ranger who lost her powers at a young age and had been working dead end jobs. She regains her powers and joins other Rangers who also recently regained their powers. This book is a good start to a series.

Sara's Urban Fantasy Blog: Review: Trance by Kelly Meding

The MetaWars series really remind me of a mix between Xmen & Heroes (the TV show) and as I enjoyed both, I was right in my element with this novel. Kelly Meding created a post-war world where people grew to fear the supernaturally talented beings, even though the Meta helped with rescue mission and such in the past.
