Storytelling describes the social and cultural activity of sharing stories, sometimes with improvisation, theatrics, or embellishment. Every culture has its own stories or narratives, which are shared as a means of entertainment, education, cultural preservation or instilling moral values. Crucial elements of stories and storytelling include plot, characters and narrative point of view.

Storytelling - Wikipedia

For the past twenty years I've been studying, researching and teaching storytelling in business. My students over that period of time, many of them graduates of The Story Theater Retreat, have asked for a video course to keep the skills, competencies and techniques they learned from studying with me fresh. Now that course is available in an online learning format.
