Death of the Dollar: A New World Money. Since the creation of the international monetary system, the divide over financial and monetary policy has always been present.

Death of the Dollar: A New World Money - The Daily Reckoning

I've chosen hands as subject of these drawing lessons because they are so available to "pose" for you. And you can position them in infinitely more interesting ways than your feet! But my approach to drawing is the same whether your subject is hands, a landscape, flowers or a rocket ship. I use a few techniques to enable my brain to see in "right brain" mode.

Figure Drawing Art Models - Pose Space

Drawing a model in 3D is different from drawing an image in 2D. This introduction to drawing basics and concepts explains a few ways you can create edges and faces (the basic entities of any SketchUp model). You also discover how the SketchUp inference engine helps you place those lines and faces on your desired axis.
