TED Talk Subtitles and Transcript: As we expect more from technology, do we expect less from each other? Sherry Turkle studies how our devices and online personas are redefining human connection and communication -- and asks us to think deeply about the new kinds of connection we want to have.

Sherry Turkle: Connected, but alone? | TED Talk Subtitles ...

I'm sorry that you've been put in that position. The amount of doublethink that goes into holding up certain kinds of fantasies as morally bad while validating others as fine and normal drives me absolutely nuts, because we already know that when it comes to things like sexual orientation and behavioural preferences, you can't get "converted" away from your inclinations because of media.
