Forbidden Archeology - Wikipedia

Klaus Dona is an Austrian artifacts researcher. Human history as taught in schools is incorrect. Much of ancient history is hidden from the masses. Ancient humans were far more advance in technology than stated. Much of their technology are more advance than even what we have today. There is evidence of a single worldwide language pre Sanskrit.

Klaus Dona - The Hidden History of the Human Race

The Hidden History of the Human Race by Michael A. Cremo and Richard L. Thompson, first published by Govardhan Hill in 1993, is a controversial challenge to rethink our understanding of human origins, identity and destiny. The authors call for a change in today's rigid scientific mindset and the accepted methods of science itself.
