We consider an entrepreneur who wants to launch a new product. A pre-condition to launch this product is to collect an amount of capital equal to K. For unmodeled reasons, the entrepreneur has not been successful in attracting sufficient external finance to cover this amount. 10 She therefore intends to "tap the crowd". We also consider projects that do not require the involvement of a ...

Summary: The Dell XPS 9370 is one of the best ultra-portables you can get these days, even if not necessarily the update I've been expecting as a long-term user of an older XPS 13. Dell focused on making it smaller and lighter, while updating the screens, adding a few extra features and improving aspects that lead to slightly tweaked performance and thermals, but at the same time the IO and ...

Poe's stature as a major figure in world literature is primarily based on his ingenious and profound short stories, poems, and critical theories, which established a highly influential rationale for the short form in both poetry and fiction. Regarded in literary histories and handbooks as the architect of the modern short story, Poe was also the principal forerunner of the "art for art's ...
