"There was an Old Woman Who Lived in a Shoe" is a popular English language nursery rhyme, with a Roud Folk Song Index number of 19132. Debates over its meaning and origin have largely centered on attempts to match the old woman with historical female figures who have had large families, although King George II (1683–1760) has also been proposed as the rhyme's subject.

There was a little old lady who would come out every morning on the steps of her front porch, raise her arms to the sky and shout, "Praise the Lord!" Well, one day an atheist moved into the house next door. Over time, he became irritated at the little old lady. So every morning he would step out ...
