The Basement is a short thriller of just 135 pages. The Basement It is about a struggling writer called Marvin Waller who is trying desperately to get his screenplays recognised in the film industry. Meanwhile, two detectives are hellbent on finding a serial killer and Marvin is their number one suspect.

### **The Basement: Amazon.co.uk: Stephen Leather: 9781612181486 ...**

It was a short story but it was certainly very well characterised through the telling from two different sources. I liked the way the author Stephen Leather had the reader second guessing themselves throughout this experience. Very clever. A serial killer is on the loose and has a woman secreted away in a basement.

### **Amazon.com.au:Customer reviews: The Basement**

I recently treated myself to a Kindle, and the basement (with its annoying lowercase title) was the first 'ebook' I decided to read with it. I chose this book for two reasons: it was at the top of the bestsellers list with great reviews, and it was a bargain at just 71p.
