Toolbox For Sustainable City Living

75 Tools For Creative Thinking. This toolbox contains 75 tools (of course!) split into 5 themes. It is available as a physical box set or app. It has been designed to help people get inspired, organise ideas, and boost creative thinking skills.

The Toolbox Toolbox

What is sustainable development? A definition of sustainable development can be: to meet the basic needs of people today without ruining the chances of future generations to do the same. In earlier modules we learnt that development can occur when economies are strong and can provide for all the people in a country.
