\*A creature with this special attack can crush an opponent, dealing bludgeoning damage, when it makes a successful grapple check (in addition to any other effects caused by a successful check, including additional damage). The amount of damage is given in the creature's entry and is typically equal to the amount of damage caused by the creature's melee attack.

Silver is almost always considered to be on the good end of magic (and items formed of it may also be Made of Good). Some works can make it evil or used for evil when Light Is Not Good.. This trope is the reason vampires traditionally have no reflections and don't show up on film. Old-timey mirrors used silver backing to achieve reflection, and black and white film used silver nitrates to ...
