"Driving while black", abbreviated as DWB, is a phrase in American English that refers to the racial profiling of African American drivers. The phrase implies that a motorist might be stopped by a police officer because of a racial bias and not because the driver has violated any traffic law. "Driving while black" is word play on driving while intoxicated, or DWI, a crime in some US jurisdictions.

Driving while black - Wikipedia

Cops "fearing for their life" is almost always a culture problem that was created by the police in the first place. Police are taught to be paranoid of the public, so a suspect moving their hand toward a pocket might as well be drawing a gun.
